

## SUBCOMMITTEE FACTSHEET

### Background

In 2024, the Cybersecurity and Infrastructure Security Agency (CISA) Cybersecurity Advisory Committee (CSAC) was tasked by CISA Director Jen Easterly to study various aspects of CISA's cybersecurity and infrastructure security efforts. The CSAC has established subcommittees to examine each topic:

- Building Resilience for Critical Infrastructure;
- Optimizing CISA's Cyber Operational Collaboration Platform;
- Secure by Design;
- Strategic Communications; and
- Technical Advisory Council.
